Helping Families

Turkey Giveaway

On Tuesday, November 23 the El Paso County Sheriff's Office teamed up with DJ Johnny Cage and Hector of 104.3 HIT FM morning show who went out to help the community. Deputies along with DJ Johnny Cage and Hector went out and delivered 30 Complete Turkey Dinner Meals to those needy families around the county of El Paso. Deputies Eddie Placencia, Randolph Tabbutt, Martha Esparza and Alfredo Leon went from Canutillo to Tornillo helping out families by surprising the community and making their Thanksgiving Holiday a little bit more special. It was great feeling in assisting others during the holiday season. Counselors from local schools assisted deputies by providing a list of families that are in need. This is a traditional event that the Sheriff's Office does to assist the families around our community. We are looking forward to next year and hope we can help more families by delivering more turkey dinner meals to our community.
